Terra Nova Books Releases *Fascinating Facts of New Mexico: Aliens, Artists, Atoms, and More*

JANUARY 1, 2017: SANTA FE, NM—Few states have a past and a present, a history, a geography, a mixing of people as fascinating as New Mexico's. While many aspects have been known and long ago captured the imagination of people everywhere, much more about the state has never been compiled until now. *Fascinating Facts of New Mexico: Aliens, Artists, Atoms, and More* (ISBN 978-1-938288-71-5, \$12.95 108 pages, paperback, February 2017) presents this wealth of information in a handy and entertaining guide to the state's rich and varied story. *Fascinating Facts* will appeal to those new to New Mexico, as well as locals, and anyone else intrigued by New Mexico's fascinating history.

The book is published by Terra Nova Books (www.TerraNovaBooks.com), an independent publisher in Santa Fe, New Mexico, whose books are distributed to the trade by SCB Distributors of Gardena, California (800-729-6423).

Author Marty Gerber first succumbed to New Mexico's irresistible lure in 1979, and has been writing, editing, and managing a wide range of publications in the state ever since. He is the editor of Terra Nova Books.
